EVALUATION PROCESS

After the evaluation committee completed its analysis of the proposals, the Contracting Officer set the competitive range. Five firms scored within the competitive range. Oral presentations, clarification, and negotiations were held with the firms in the competitive range and the best and final offers were submitted. Based upon the evaluation of the written proposals, oral

presentations, negotiations and best and final offers, it was determined that the proposal of Screening Reports, Inc. would provide the best overall service and value to the CHA.

SCOPE OF WORK

Screening Reports, Inc. will provide comprehensive screening services for tenants, HCV participants and applicants, and HCV landlords which include: credit reports, social security traces, criminal history searches (including multi-county, statewide, nationwide, multi-state sex offender searches and reports), and tenant history analysis, along with automated tools to facilitate interpretation of the results.

- Screening Reports will provide a minimum of six training sessions for staff to understand how to utilize the screenings and reports.
- Screening Reports will customize the criminal background screening in accordance with both the HCV and Public Housing programs' respective eligibility guidelines.
- Each criminal screening will cost \$6.00 per screening.
- Each credit screening will cost \$4.25 per screening (\$10.25 for both criminal & credit).

The scope of work to be completed by Screening Reports is more comprehensive and less expensive than the other proposals received. The cost of a combined credit and criminal screening is 2.4% less per screening than the current contract for screening services (\$10.25 versus \$10.50 under the current agreement), with an estimated cost savings of \$6,750 using the projected usage for criminal and credit reports for the requested base and option terms. The cost per screening is less than other commercially available national or local screening services.

Based on the foregoing, it is in the best interest of the CHA to enter into contract with Screening Reports, Inc. to provide tenant screening services for public housing tenants and housing choice voucher applicants, participants, and landlords, for the two- year period of August 1, 2012 through July 31, 2014, for an amount not-to exceed \$1,012,500.00, with one (1) one-year option not-to exceed \$506,250.00.
